The Board Trainer in Toronto on May 26th-28th

From May 26h to May 28th, I have been in Toronto meeting with the rest of the board as the Lieutenant Governor of Division 11/12 ECD. I got to personally meet and get to know each and everyone on the board, and they are truly great people with the same enthusiasm toward Key Clubber as all of us. The weekend was busy and packed with training like team building and presentations on a variety of topics. With all these resources, I am very excited and look forward to all the projects for next year.

DLTC and Fall Rally!

Fall Rally

As the summer approaches, I should start planning the DLTC and fall rallies soon. DLTC stands for Divisional Leadership Training Conference, and it is where I as the LG trains the execs of my division about what I learned at my trainer and about all they need to run their club successfully. Since school is almost out and most clubs won't be active for the summer, I plan on holding this event at the start of the school year. Same with the fall rally where the key clubbers in the same region get together and connect with each other. I hope to kickstart the next school year with this event. But with a division as wide as ours, This meeting could be difficult, so I am open to any suggestions and ideas. In order to achieve this, I hope for much better communications from the clubs and their execs.

DCON 2018

As many of you might have heard, DCON 2018 will be held at Halifax, which is in our district! To plan such an exciting and amazing event, we have to start planning early. Especially for those who wish to be on the DCON planning committee with me and Kerissa, the LG of Division 4 who planned the DCON this year. I will definitely need the support from all of your clubs, especially ones close to Halifax!
