D CON

As the 2016-2017 year of Key Club's Eastern Canada District comes to a close, we celebrate our successes and achievements at our annual district convention - this year at the Crowne Plaza Hotel in Niagara Falls.

Day 1 began with some ice breakers, followed by speeches with dinner, and ended with ECD's annual talent show! Day 2 was dedicated to the election and development of new leaders. Speeches were given by candidates running for District Governor and District Secretary Treasurer. Following caucusing, a choice of workshops were given, ranging from how to run

icebreakers to how to be a successfully club president. The afternoon gave members freedom to explore the gorgeous Niagara Falls area, including time for a scavenger hunt. Closing the night was the governor's ball (which had some pretty inventive dance moves).

Day 3 included a farewell brunch, and tears from the crowd during District Governor's Kejie Zhang's farewell speech. All in all, the combination of surprises, laughter, and tears made this year's DCON a huge success!

The closing off of the 2016-2017 Key Club year brings around the arrival of the 2017-2018 ECD Board! We are all incredibly excited to serve and lead in this upcoming year. In the picture below from left to right are:

Circle K and ICON

Loved DCON? Then, you might want to think about going to ICON! It's similar to DCON, except you get to meet key clubbers from all across the world! If you're interested in going, you can find the registration form and more info at www.keyclub.ca

Key Club doesn't have to end at high school. Circle K is a Kiwanis student leadership organization much like Key Club, except at the university level! Look forward to joint events with Circle K in the new year.
