Division Five Summer Rally

On Saturday, August 26th, fellow Key Clubbers from across the GTA came together for a fun-filled day at the Division 5 Summer Rally! High Park was the perfect location to host icebreakers, team activities, and play some frisbee. Our special guest was the Chantal Corbin, the District Governor of the Caribbean-Atlantic Key Clubs (4th from left in top picture). She loves us so much she flew all the way from Barbados to spend the day with us!

P.S. Meet ECD's Mascot - Penny the Polar Bear!

Breakthrough

Breakthrough is one of the 3 parts of the YOF (the other two parts are grants and scholarships) and a Key Club service-immersion program aimed at providing intensive leadership development and civic engagement opportunity. Successful applicants will spend Jan 1- 7, 2018 in one of two locations: Miami, Florida or New Orleans, Louisiana exploring Key Club's core values through active participation in the local community and various leadership activities. All expenses will be covered, except the Key Clubber's personal airfare travel. Applications open September 11th, 2017 and close October 15th, 2017! Check out the Key Club International website for more info: <http://www.keyclub.org/service/Breakthrough.aspx>

Key Leader

Key Leader is a weekend leadership program with its emphasis on service leadership as the first, most meaningful leadership-development experience. Over the course of the weekend, Key Clubbers will attend a variety of workshops, discussions, and team building-activities. While exploring leadership in a whole new way, participants will make amazing new friendships and have unforgettable experiences. Any key clubber can attend a key leader event, and I highly recommend executives of clubs to go. For us in the GTA, our closest camp is at Circle Square Ranch in Brantford (just west of Hamilton) and will be from November 3-5.
